

#JUAlumni updates: alumni survey, career expo, virtual fine arts and more.

Science on Tap - JAX Virtual Discussions

[Follow Science on Tap - JAX on Facebook](#) for updates on upcoming virtual discussions which aim to create deeper conversations and understanding of scientific topics relevant to our community. Zoom links to attend are available through their Facebook events. We hope to see you there!

[Tune in for the October 14 event](#) featuring Dr. Quinton White, director of JU's Marine Science Research Institute. He will discuss the impact of COVID-19 on our environment.
