SP 4: The Davis College of Business and Technology will provide an innovative curriculum that prepares students for a successful career.

We continuously explore new ways to enhance and deliver business instruction through curriculum design and the integration of cutting-edge technology. This ensures that our programs are both flexible and relevant, meeting the diverse needs of our students and expanding our ability to positively impact our local community. By fostering a culture of continuous improvement, we enhance the quality of our programs and equip our students to succeed in a rapidly evolving business landscape.

4.1 Goal: P
